

**Joint Seminar between Saga University
Synchrotron Light Application Center and
State Key Lab of Metal Matrix Composites,
Shanghai Jiaotong University
on Material Science and Synchrotron Light -2010**

Venue: Saga University, Japan

Date: March 17, 2010

Program

- 14:00-14:10 Opening Address
Masao KAMADA (Saga Univ.)
- 14:10-14:40 Current Research Activities at State Key Lab of
Metal Matrix Composites, Shanghai Jiaotong University.
Di ZHANG (Shanghai Jiaotong Univ.)
- 14:40-15:00 Current Research Activities on Optoelectronics
at Saga University Synchrotron Light Application Center
Katsuhiko SAITO (Saga Univ.)
- 15:00-15:20 Research and Development of Advanced Materials
for Green Energy Applications
Tongxian FAN (Shanghai Jiaotong Univ.)
- 15:20 -16:20 Free Discussion on Future Collaboration
Chair, Qixin GUO (Saga Univ.)
- 16:20-16:30 Closing Address
Di ZHANG (Shanghai Jiaotong Univ.)
